Shelfari: Book reviews on your book blogShare a book review on Shelfari, where this reader meets fellow readers. Which Selena she was talking about, the Born This Way songstress did not specify, but I'd bet good money Lady Gaga was talking about our Tejano Queen in that tweet. This was so nice. I don't know much about Selena , let alone her time period. I find myself drawn to random music with heavy beats and piercing melodic instrumentals.
